the wild goose when there is a  
really good group playing. Of

to Florida with you next Easter.  
I hope I can go because I'm sure Paul &  
Sue, you & I would have a super,  
fantastic happening!! Wow - maybe  
we could dig nature & sleep out on the  
beach!! Well going to work next fall  
& since you're going to be friends as much  
I probably won't be seeing you as much.  
But I still want to be in future pursuits!

one life in which to learn

Penny,

so

Well this year has gone by much...  
 so fast it seems just like last year  
 when I was writing fifty million pages in  
 your yearbook about Gary and Bobbie <sup>1954</sup>.  
 We've had so many good times together,  
 not really this year but since we've known  
 each other. I sure wish we would have  
 been in some classes together this year, we  
 were in gym and had lots of fun, but I  
 hope were in more next year. Last year  
 we never did get to have that picnic but  
 this year I've got a much more reliable  
 boyfriend and I bet if we tried we could  
 still have that picnic at Braidwood. I  
 would really like that. Well, we've both  
 got our minds set on who our husbands  
 are going to be and I hope it works out  
 for both of us. I wish you all the luck  
 in the world with Gary although you  
 don't need it. You've been going along with  
 him for three years now and I'm sure it won't  
 be hard to make it thru ~~the next~~ <sup>the next</sup> (before you get married).  
 Who knows maybe you'll still have that "double  
 doll wedding!" Love Always, Robin

P.S. I sure hope to  
 see you a lot this  
 summer, don't be sur-  
 prised if I call ya!

Penny,

you know I've always admired you since I first met you; you are so beautiful and so nice and always so happy; I wish wishes me feel good. People like you are few to find. you are really great. That's it in a few words. I hope I see you this summer, I'd really enjoy that. I'm glad I get a chance or don't I. Love Remember everything we've done all the time. Love

# "We Like Our Band"

A great deal of time and work was encountered in making a successful year for the Joliet Central Band. Their schedule included all home football and basketball games, parades and concerts. The members deserve much credit for regular attendance and spirit, and the efficiency of the director, Mr. Lega, is reflected in the whole band.

Bob Boudry has "pucker power." Below, Mr. Lega observes his band during their routine at Homecoming.

Renee Chetille served as Guest Band Sponsor for the '70-'71 year.

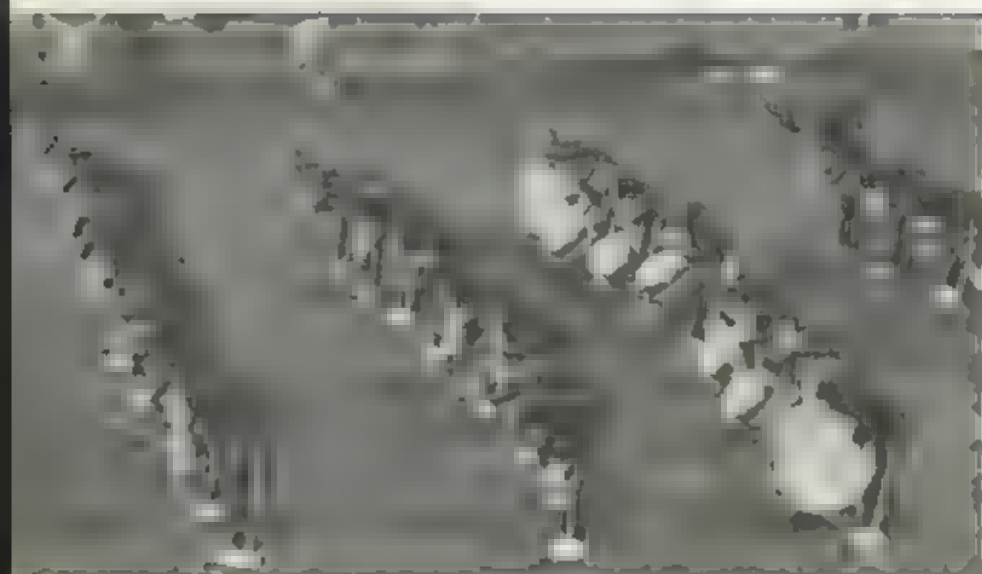

The duties of the Blue Band Sponsor were performed by Nancy Lawrence.

## Orchestra Provides Memories

*The Joliet Central-East Orchestra, directed by Mr. Lega, had a very rewarding year. It is composed of twenty-four members. They participated in the Christmas Vespers Concert and the operetta. Mr. Lega's fine direction has given Joliet Central an orchestra to be proud of.*

# Student Council Promotes Spirit

Headed by President Henry Henderson and Vice-President Ralf Gutierrez, the Student Council had a very successful and active year. Beginning with Homecoming, Council has conducted pep assemblies throughout the football and basketball seasons. Council also did its share to promote school spirit by sponsoring buses to all the away games. This year the Student Council sponsor was changed from Mr. Leech to Mr. Fendi.

## Do-Re-Mi

The A Cappella Choir, under the direction of Mr. Robert Howell, participated in a variety of musical activities this year. The choir performed in a musical clinic at Western Illinois University and also in their annual Christmas Vespers. They participated in the state music contest and presented their operetta, "Cinderella", with Maureen Kelly and Dan Lorenc as leads. A Cappella is a combination of ninety-five male and female voices. This year the chorus had a student teacher, Mr. Bushy, who acted as an assistant director.

Mike Zigrossi, A Cappella president, proves singers must study too. Mike was the King in this year's operetta presented in April.

# Sing Out For Central

The Madrigals, a select group of sixteen voices, contributed their talent to many A Cappella concerts with such numbers as "No Man Is An Island", "The Drummer Boy", and solos during Vespers. They sang in various nursing homes at Christmas time, and participated in radio performances.

"GAA Wants You!" read a poster putting out the call for girls to join the Girl's Athletic Association sponsored by Mrs. Zuidema. About one hundred and fifteen girls answered the call and participated in the extra curricular activities such as tennis, gymnastics, bowling, and soccer. The girls also raised money by having bake sales and selling sweatshirts. They also had a get-acquainted picnic, a Mother-Daughter Playnight, and a spring banquet.

Long hours of hard work and creativity went into the GAA float. Bottom left, The flying rings and the trapeze are only two pieces of equipment used by the Gymnastics Club.

## From Rock... To Mountain

# Black Awareness

The main objective of the Afro-American Club was to create a greater volume of Black awareness. ## Men's Clubs In Action

*The Key Clubbers were busy this year. President John Narducci and Vice-President Jon Johnson along with the other members participated in a number of monthly projects. Some of these projects were the Ugly Man contest, a booth at the Carnival, ringing bells for the Salvation Army, and selling peanuts for the Kiwanis Club to which they are affiliated. Mr. McDonald sponsored this active group. The Letterman's Club is for any boy who has earned a varsity letter in any sport. # Dramatists Perform Well

The theatre is a demanding interest for many people, as proven by Miss Crauford and her backstage band. The drama class experimented with new ideas, including a reader's theatre, this year, and field trips were common. Both the fall play and the contest play were tremendous successes. The Debate Team, under the direction of Mrs. Ethel Chaney, managed a fine season. The team participated in six debates and won team and individual honors.

Tom Reeves, an active drama member practices for the contest play.

Cassie Tull, also a prime speaker, finds Miss Crauford's drama class a rewarding place to be.

## Events Members Sparkle

*Learning how to get one's ideas across with ease is a very important quality to possess. Individual Speech Events offers a variety of opportunities in which to do this, including serious reading, radio speaking, after dinner speaking and original monologues. Coaches for this year's team, who saw many proceed to sectionals, were Mrs. Petina Tarr and Mrs. Jan Horan.*

## Let's Fight

The cheerleaders' smiles, excited screams and sudden tears expressed the feelings of the Steel men throughout the season. The girls brought together the voices of many fans into one tremendous cheer. Judged on gymnastic ability, poise, coordination and personality, the girls were chosen in the spring. After being selected, the many hours of practice were under the direction of Mrs. Dwyer. By selling candy, buttons and baked goods, the cheerleaders raised money for their new uniforms.

By JIM PETERSON  
Herald-News Writer

Carvin Beavers' one-yard plunge with 1:33 left in the game gave Joliet Central a 14-8 Illini-Eight Conference win Friday night at the Joliet Memorial Stadium.

Beavers, a 6-3, 185 pound senior fullback, got his touchdown run on an eight-play, 40-yard march by the Steelmen.

It was Beavers also who caught the two key passes during the drive setting up the winning score.

"The guy played a heckuva game," Head Coach Ken Robbins said. "Carvin caught a pass that set up the winning touchdown. He also has done a lot of blocking for (Henry) Henderson and made one of the key blocks to 245 yards on offense.

"Johnson had a pass intercepted early in the game," Robbins said, "and missed a lot of passes in a row. But in the last drive, he came back and completed two passes to set up the score."

The victory was the first over the Tigers since 1967 when the Steelers won by a field goal, 10-7. The past two years the Tigers have held on to a 7-6 and 8-6 wins.

The game started as if Coach Ray Klootwyk's charges were going to break the game open early.

After fullback Don Bagley carried on the first play from the Tigers' 34 for seven yards, quarterback Eric Miller went up the middle for eight.

Two plays later, Miller spotted Brian Kendall open in the flat in Central territory. The 6-0, 170-pound halfback went toward the sidelines and cut back against the flow of Central defenders and scampered into the end zone for the score.

The clock showed only 1:48 elapsed in the game and Bagley converted the extra point

run putting the Tigers atop, 8-0.

Central, an explosive team all year, came back driving deep into West territory, but only a pass interception by West's Gary Woolford at the 26 stopped the march.

A fourth quarter drive by Joliet Central closed the gap to two points with Henderson scoring from 17 yards out.

The score was set up after the Steelmen defense held off a drive at the Tigers' 16-yard line. West managed 17 yards on a punt, giving Central ex-

cellent field position at the 33.

Henderson, the leading area rusher with 722 yards in 100 carries so far this year, carried four times in the scoring drive for 26 yards. His 121 yards rushing put him over the 100-yard mark for the third time this year.

Central threatened to score early in the third quarter edging their way from their own 40 to the Tigers' 12. Johnson was then dropped for a big loss and a penalty brought the ball back to the 25.

On a fourth down play, Johnson escaped a heavy rush by the Tiger front line and hung a pass near the goal directed toward end Jim Alessio. As the ball hit Alessio's hands defensive halfback Brad Gumer plowed into him, jarring the ball loose.

Central gambled midway in the fourth quarter on a fourth down situation when punter Stan Jessen faked a punt at the Tigers' 44-yard line and carried for the first down. But as he was tackled two Tigers pounced on his fumble,

thwarting the threat.

Central got the break it needed when West's punter got away a punt hitting only six yards. Beavers took over the show from Henderson and scored on the eighth play from scrimmage.

Not to go unnoticed was the Steelmen front four of Carvin Beavers, Jeff Olson, Sam Greco and Dave Beavers, who held West to 15 yards offensively in the second half.

The line was aptly backed by linebackers, Sidney Dove and Chuck Parker, who cut down the West passing game due to their effective rushes.

West, now 1-2-1 in the I-8 and 2-3-1 overall will host Lockport West next Friday night.

Central 2-2-0 and 4-2-0, will travel to Argo for a non-conference tilt Saturday.

West's sophomores won the preliminary game at Central's Homecoming festivities 30-14. Senior Chris Colbert was crowned Homecoming Queen while Henderson was named King.

# West Side Story

Now we come to TONIGHT'S THE NIGHT first the two o'clock pep rally, followed by an olympic sized parade. Come half-time the J.T.C. Band played a salute to the Court and Spectrum 70 grabbed 1st place in float competition titled "TONIGHT" bearing an eight foot Steelmen. Then, on October twenty-third, it finally happened the clock struck 0 and the west side of the stadium went up on toes! HEY, HEY! For 2 years that two-story west side building dominated the Steelmen's games, but no more! The Steelmen pounced on those kitties with a 14-8 victory of which they will never forget, and never forget!

## A Long Season

Most Valuable player and Co-Captain Bob Galtman celebrates his achievement after a muddy run

"There were a lot of boys that didn't come out who should have. Others who came out for one or two days and quit. We had no depth to draw from in practice or in a meet. While we got beat, I think we improved all the time.

They were a great team and a good bunch of guys." So reflects Coach Mitchell on this year's cross country team. It was a long and disappointing season for Central's harriers who compiled a record of 1-7 and finished last in the conference.

Despite this drawback the Steelmen boasted of fine overall team speed including a fleet corps of running backs headed by Henry Henderson and Jim Jones. Highlighting the 6-3 season was a 14-8 come from behind Homecoming victory over Joliet West. ## "No Breaks For Sophomores"

It seemed it was one of those years for our Sophomore football team. Holding a record of 1-8, Coach MacLaughlin said they worked hard, but just couldn't pull it together. As a matter of fact, they tore themselves apart. There were seven shoulder separations, one broken wrist, two broken ankles, one dislocated knee and one unlimited supply of alka-seltzer for Mr. Mac. A few members were moved up to Varsity, weakening what was left. They missed the breaks and made mistakes, but gained valuable experience for next season.

It was referred to by most as 'The Year of the Steelmen.' Under Dale Glenn, Central stuck its second straight 18 title and Joliet Regional Championship under its belt. They finished the conference season with an excellent 13-1 mark and were 26-4 overall. Poise and pride characterized the 3rd rated Steelmen as they easily won the Morris Holiday Tournament and placed 3rd at Danville. Offensively they averaged 73.2 pts per game in the form of 30 footers from Powell and Williams or offensive rebounds from Jones and McFarland. ## Grapplers Rebuild

It was what a sportswriter would call a "rebuilding year" - a basically underclass team (only three seniors: John Bouie, Carvin Reavers, and Art Martinez), yet firsts were won in both the Plainfield and Yorkville Quads. It was a year in which mistakes were expected, but were still disappointing to first year coach Mac McLaughlin. The Steelmen ended the year with a 7-9 overall record, a sixth place finish in the I-8, and high hopes for next year.

# Baseball Hits Into Rough Season

It was a season of almos'ts, should've beens, and could've beens, what with those five one run, and four two run games which amounted to four wins and five losses. Add to the preceding total four more wins and seven more losses and it equals plenty of frustration. It was also a season which was to be Mr. Norm Miller's last as varsity baseball coach. One of the few bright spots of the year was the pitching of MVP Buzz Gibbons. The team finished in a 3rd place tie with a 6-6 Conference record 8-12 overall.

# Sophomores Gain Valuable Experience

The 69-70 Sophomore team had a fair season finishing 4th in the I-8 Conference with a record of 5-2. Outstanding sprinters with a bright future were Melvin Moore and Andy Sturdivant, and Andy Trice proved to be a sturdy weight man. The team was comprised of a majority of Freshmen and so, gained strength and experience needed in the coming years.

## *Tennis Team Sweeps Conference*

*The racketmen of Joliet Central put forth their great skill ability during the 1970 season to easily take first in the conference. One of the surprises of the year occurred when dark horse contestant Chet Heitsch finished 1st in singles competition at the District meet. Glen Johnson and Ed Denovellis, the very fine doubles team also placed first and continued on to state.*

*The 71 season looks bright with the return of many fine Lettermen.*

Central has begun to establish itself as the outstanding tennis school of the Joliet area. For the past 2 seasons, they have beaten all Joliet area schools including Lockport. The prospects for the new season are good as many young players are getting interested in tennis and should carry on this tradition of good tennis.

## *Intramurals Draw Many*

*Intramural athletics is provided for boys who have neither the ability, size, or desire to compete in interscholastic athletics. The program was under the supervision of Mr. George Legan and drew an estimated three hundred participants. The normal schedule includes touch football and basketball during the fall season; a free throw contest producing winners Eugene Mitchell (Jr.-Sr. division) and Larry Pinnick (Soph. division), and a volleyball round robin tournament through March; and finally wrestling, softball, and a track decathlon in the spring. Letters and ribbons are awarded in this very worthwhile organization.*

## Duffers Tee Into Season

*It was the same old story for the 1970 Golf team and Coach Russ Leksell - not enough material to work with. The preceding fact becomes obvious when the breakdown of the team into classes is considered: Seniors (2), Juniors (1), Sophomores (3), and Fresh men (4). The season was somewhat disap pointing but returning lettermen brighten the future.*

# Champions!!!

The school year of 1969-70 was the most successful sports year for Joliet Central since the school split back in 1964. It all began in the fall, when Steelmen gridgers posted a 7-2 record and Coach Mitchell's cross-country team placed second in the I-8 Conference. It continued into winter as Mr. Legan's grapplers brought an other second place finish to the "hallowed halls" of JTC. Due recognition was not given last year to those representatives of Central who competed in the state finals of various sports in the Spring. We would like to amend that situation now

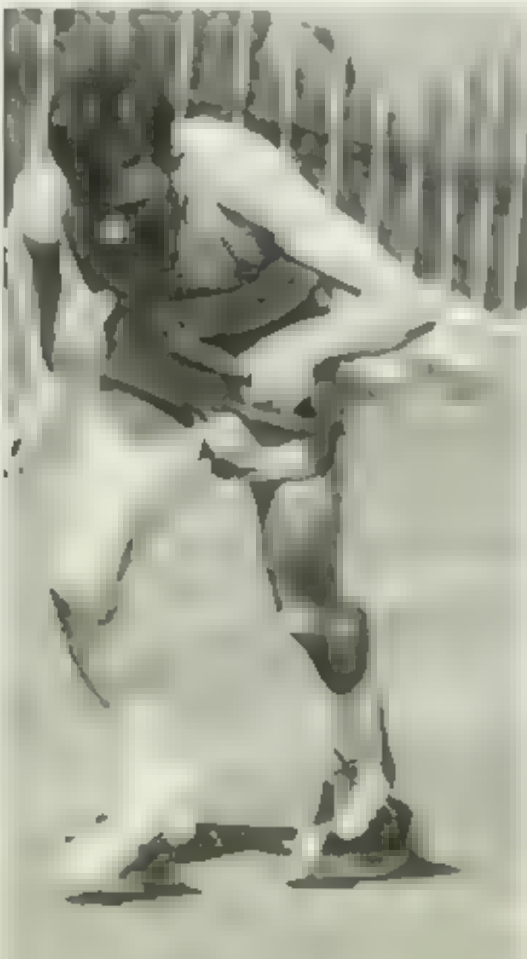

Mike Barden was a 1970 Illinois State High School Wrestling Champion (Heavyweight division). He bestowed a 28-6 record on his way to the state title. Barden amassed a fantastic 82-16 win-loss record in 5 years of varsity competition. Other laurels were 2-time City Champ, 3-time District Champ, and captain and Most Valuable Wrestler for the '69-'70 season.

Steve Weston placed sixth in the 100-yd. freestyle event of the 1971 State Swim Meet. On his way to the state finals, Weston swam a 49.1 in the 100 for a District Meet record. He also won the 200 yd. freestyle in the District. An other record to Steve's credit is a 49.9 I-8 Conference record (in the 100.)

*Playmaker Charley Hughes handles the ball well again as he drives in for the score. After trouncing the Rockets, IT became one of the "Fantastic Four"*

Center Charles Wallace fights for the ball during semifinal action against Lockport. The team brought home a home to phy and a 7-1 record.

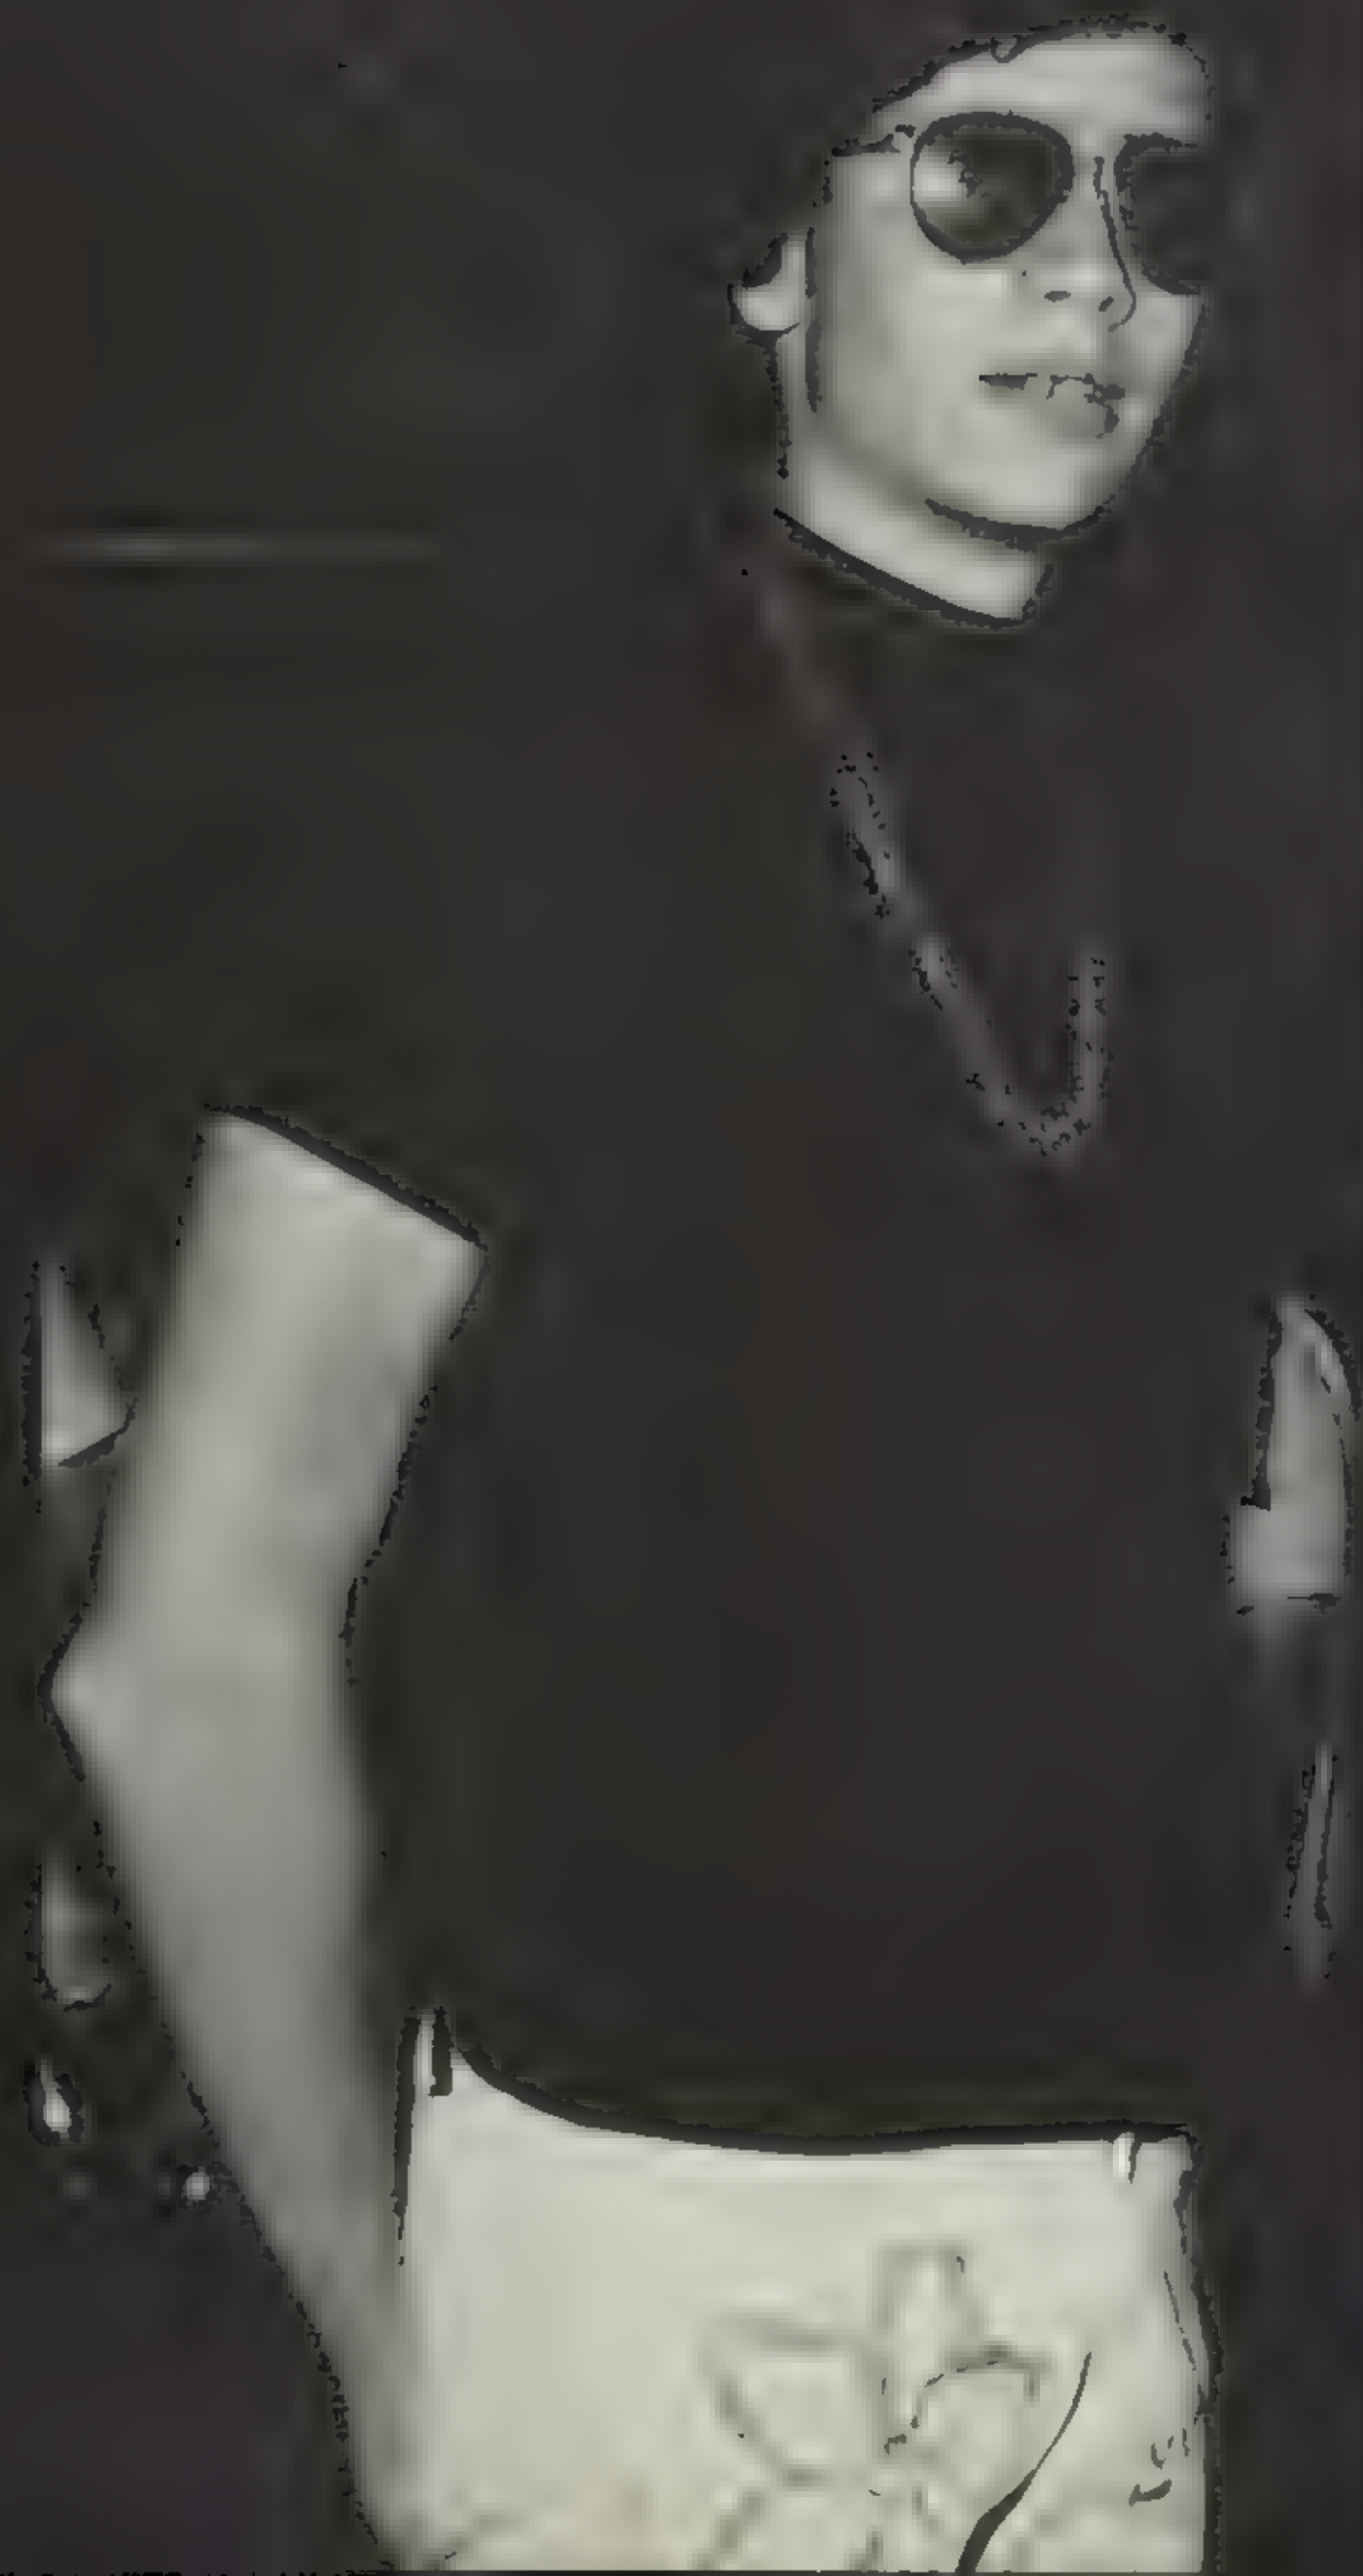

Remember the feeling as you walked through the doors?

Only a Sophomore, Roger Powell had high scoring honors during final action of the tournament. Here he shows his remarkable form as teammates look on.

'Central's great. We're goin' to State.' A simple Regional tournament began it all. With the third straight win over unbeatable Lockport Central, an insurmountable Lloyd Botts from Thorton, pandemonium at Evanston, and finally overwhelming Assembly Hall, all of Joliet followed Central's Steelmen to a third place title in Illinois High School Basketball competition. Excitement, pride, and hopes went into every game as Joliet Central became a power to beat. The pictures tell the story of the event of the year.

yes the memories will linger on.  
 freshman registration day  
 "boy this school is big. i'll never find my way  
 around".  
 junior college intruders..  
 the cue, nurses office, anywhere but here  
 operetta, "funny girl", plays, "hip hippie hooray"  
 concerts both winter and spring  
 shiney class rings.  
 8:15 to 2:45, monday through friday  
 the blue banner..  
 choir  
 prom, "isle of paradise" (where did the gold fish  
 go?)  
 hit, shoot, pass that ball, run, pin, win  
 wait in line, assembly hall, okawville, la grange,  
 third  
 football spectaculars..  
 presentation of trophies  
 "attention, these are the announcements for  
 gaa, fla, afro american club, yearbook u ill meet"  
 white absence blanks, green passes, threatening  
 call slips  
 forging  
 honor systems.  
 lockers decorated, trimmed in pink, yellow, and  
 blue..  
 a painted water tower reflecting the steelmen's  
 power  
 the seed theater

homework, quizzes, tests, finals, grades, report  
 cards..  
 act, psat, sat, nmsqt, what tension..  
 16 quarters, 8 semesters, 4 years.  
 thank God for teacher institutes and snow days..  
 above all graduation..  
 bus strike, learning to walk again..  
 liberalized dress code..  
 speech contests  
 homecoming, pep assemblies, slop day, a bonfire,  
 queen and court, haltime rush..  
 exchanging pictures  
 waiting in line for food, blanks, tickets, caps and  
 gowns.  
 rehearsing for that important moment  
 blue and gold tassels  
 diploma with left, shake with right, thank you  
 "i'm so proud of you"..  
 and the memories linger on and on and on

During a pep assembly, Tom Britt seems to be totally captured by the speaker

During class when the bell rings, he usually sees how long it takes to get out of class. He then starts to make up time.

Mr. Renner takes time out from his science classes to ham it up for the cameraman with Sharon Keith.

These Freshmen cheerleaders, Debra Noel, Lisa LaCloche, Terry Goss, and LuAnn Dwyer enjoy themselves while they play the part of an opposing teams cheerleaders during a pep assembly

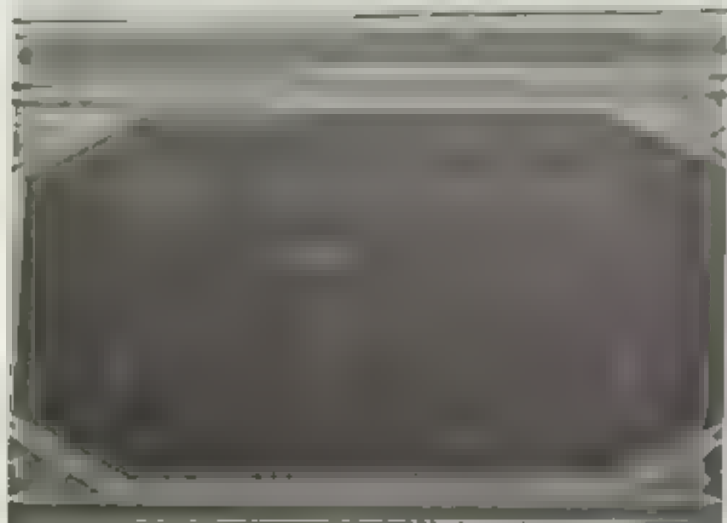

Another year has flown by, a year marked with thrilling victories (over West, 14-8 in a come from behind Homecoming battle) and agonizing defeats. It was a disappointing year for a cross country team, but an enthusiastic time for basketball kings. It was an experience for small, scared Freshmen who entered the mammoth building for the first time on September 10 (that long ago!) and discovered you could get plenty lost in two blocks and four floors. It was an energetic time for cocky Sophomores who carried away two class competition victories and watched one of their own wrestlers muscle his way to an undefeated first in the conference. It was an exciting time for proud Juniors, who created a masterpiece "Thru the Looking Glass" on May 28, combining oversize mushroom rooms of blue, green, and yellow. And it was a mixed up time for happy Seniors who made the final break June 11 amid much shouting, drinking, laughing, and crying.

It was a year of floats and confetti and wild west days and pep assemblies and halftime with "The Saints Go Marching In" and a couples dance (for a change) and a queen named Chris Colbert and a king named Henry Henderson. It was a year of hippies and flowers and hard rock as the fall play attracted crowds both sympathetic and curious. It was a year of practices and workshops and a vesper concert and a mid winter concert and a musical fantasy of princes and fairy godmothers and pumpkin coaches and orchestra pits and a glass slipper. It was a year full of events, people going to contests and play people going to state and new film clubs making movies and Keyclubbers serving the community and newspapers putting up and long stemmed roses with blue ribbons framing a radiant Edna McCallum crowned as Miss J. and Christmas parties and athletes of the week and a senior ditch day and everyone who was anyone selling candy or cards or pom poms or candy or animals or cushions or candy or candy. It was of course a year of basketball games and lots of referees eating lots of lunches and buses to away games and popcorn in the gym and never really losing on your own court and people way over six feet tall who did lots of things right and waiting in long lines and then waiting in still longer lines and yelling the loyalty and giving 'em the dirty bird and Joliet West and Lockport Central and Bloom and then tears and the loyalty again and something to still be proud of. It was a year when people went to the moon again and put up signs for mayor and took down signs for mayor and voted down a needed referendum and worried about pollution and did something about a lousy dog pound and went to see a love story.

It was a year full of ups and downs, vacations and tests, building and destroying. It was a year full of learning and seeking and finding and proving when different people went different ways yet oddly remained tied together as Steelmen. But this year is dead and the people will soon be gone. It was hectic, dull, depressing, exciting, yet only the memories will remain as the clock ticks on and on. It was Joliet Central 1970-71 and it will never happen quite this way again.

A yearbook and its staff has a great deal to accomplish. Its purpose, I feel, is to represent the peoples and the happenings of the entire year — good or bad, right or wrong, active or indifferent. Many strong walls were encountered this year and only a few were broken. We were disorganized, panicky, confused, and often times settled for less than the best in an attempt to meet our enemies — the deadlines. But somehow, miraculously, we always made it through. The move to '96 was welcomed by all, since it gave us a place to call home. Sales reached a new high with almost half the student body buying a book, and color was sacrificed in order to add more pages. We experimented with a few techniques while keeping the basic plan almost unchanged. Every attempt was made to try to have everyone pictured, though often times lack of interest, cooperation or previous commitments interfered. This book is not perfect. I didn't begin to try to please everyone. Many times I didn't even please myself. But I tried to be fair and though many will disagree I feel we succeeded.

I would like to thank the staff of the I for their long hours of hard work with a special thanks to the section editors including Mary Edwards, Pat Mazina, Mia Jantzen, Linda Cleghorn, June Holmstrom, Mary Goodwin, and Connie House, who endured my silly ideas and produced the final results. I know I'll miss them all next year. As a new advisor, stepping in when most of our planning was complete, Miss Cheryl Zinch encouraged us constantly and I thank her for her help and her patience. The foundation of a yearbook is caught up in boring details such as margins, type style, cropping pictures, writing copy and fitting it, capitalization, punctuation, preliminary layouts and bleeding. I would like to thank Mike Magee, Joyce Azuma and especially Mrs. Rev Crouch who taught me some of the ropes involved in merely starting a book. The introduction was written by Patience Strong (Ideals Vol. 16, No. 2-June, 1959) and I would like to acknowledge her and her ideas. Mr. Bob Moorhead and the people at Wolinger Photography Studio in Chicago cooperated always and the advisors at East and West helped me in many a tight squeeze. I would like to thank the Joliet Herald News for their State basketball pictures and the Homecoming article they wrote for us. I appreciate the interest and cooperation we received from Mr. Fahrenholz, the coaching staff, the organizations sponsors, and most of the faculty here at Central, Bull Towing Company and the Washington Street Fire Barn in the use of their equipment, the Camera House and our photographers who came through in a jam. Mrs. Goodwin for the curtains in our office, and everyone else who helped in any possible way. Oh, I can't forget a very special friend who encouraged me, laughed at me, and just helped me through the whole lousy thing.

*Ah, this is not the end. It is not even the  
beginning of the end, but it is perhaps the  
end of the beginning*

Penny,  
 Well even though we didn't do much last year, we still we're good friends. I hope it's like that for a long time. Just think, we've got one more year of high school and then we graduate. That is really cool. even though we weren't the best of friends last summer, we still have this summer to look forward to. And it's really going to be a good summer. Parties, St. Joe's, Gay, M.U. Steak, etc. I know you and Gay will really be good this summer, so don't worry about that. And then we have Florida to look forward to next year when the "big 3" will be on their own. Well there really isn't much more to say. Good luck with Gay.

Love  
 Sue

P.S. Sorry this is so short but we didn't do much this past year!
